Submitted to His Highness.

Government have no means at present of knowing the particulars of income and expenditure or the administrative details of the Jaghirs of Sringeri, Yelandur and Sivasamudram and consequently they are not in a position t judge to what extent the residents of these tracts enjoy the benefits of the general administration or what progress the make in their material and moral condition.

2. The question was considered in Council and they are of opinion that to remedy this defect and as a means of administrative prudence, the Jaghirdars may be requested to submit annually to Government, copies of administration reports and budget estimates of receipts and disbursements in respect of their Jaghirs. The reports for the current official year will be due in September next.
